

DESIGN OF THE NEW SHRINE OF THE NORTH AMERICAN MARTYRS

Representing the proposed chapel in the form of a cross—on which took place the martyrdom of Christ, our Lord—and the amphitheatre in the form of the Coliseum in Rome—which Pope Pius V declared to be impregnated with the blood of the early martyrs. The chapel will seat 1000; the amphitheatre 6516. The estimated cost of construction is \$800,000. Chester Oakley of Buffalo, N. Y. is the architect.
